SCHEDULE A-2

TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") is executed as of March 29, 2002 by and between STAAR SURGICAL COMPANY, a Delaware corporation (the "Borrower"), with an address at 1911 Walker Avenue, Monrovia, California 91016, and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association (the "Bank").

Recitals

A. The Borrower and the Bank have entered into an Amended and Restated Credit Agreement dated as of March 29, 2002 (said Agreement, as it may hereafter be amended, restated or otherwise modified from time to time, herein called the "Credit Agreement"). Terms defined in the Credit Agreement and not otherwise defined herein have the same respective meanings when used herein.

B. The Bank has extended, and may hereafter extend, credit to the Borrower pursuant to the Credit Agreement. To secure the Borrower's obligations to the Bank under the Credit Agreement, the Borrower has granted the Bank a security interest thereunder in, among other items, trademarks and general intangibles.

C. The Borrower and the Bank wish to further clarify their respective rights and obligations with regard to the Trademark Collateral (as defined below), and the Bank desires to have its security interest in the Trademark Collateral confirmed by a document identifying the same and in such form that it may be recorded in the United States Patent and Trademark Office.

D. It is a condition precedent to the effectiveness of the Credit Agreement that the Borrower execute and deliver this Agreement, and the Borrower and the Bank accordingly agree as set forth below.

1. Grant of Security Interest. In consideration of and pursuant to the terms of the Loan Documents, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to secure the Borrower's obligations under the Loan Documents, the Borrower hereby assigns for security, and grants the Bank a lien and security interest in, all of the Borrower's right, title and interest in and to the following, whether now owned or hereafter acquired, whether now or hereafter existing, and wherever located (the "Trademark Collateral"): (a) all trademarks, servicemarks and tradenames owned by the Borrower (the "Trademarks"), including, without limitation, the trademarks, servicemarks and tradenames listed in Schedule A to the Trademark Assignment attached hereto as Exhibit A (the "Trademark Assignment"); (b) all applications for trademarks, servicemarks and tradenames (the "Applications"), including, without limitation, the applications listed in Schedule A to the Trademark Assignment; (c) all of the goodwill of the Borrower associated with and/or represented by the Trademarks and/or the Applications; (d) all registrations of the Trademarks; (e) all royalties and other amounts paid or payable to the Borrower in respect of the Trademarks (the Trademarks, the Applications, such royalties and other amounts, and the proceeds of the foregoing herein called the "Trademark Rights"); (f) all rights, interests, claims and demands that

the Borrower has or may have for past or future infringements of the Trademark Rights and (g) all proceeds of any and all of the foregoing.

2. Maintenance of Trademark Collateral. The Borrower covenants and agrees to maintain the Trademark Collateral, other than Trademark Collateral that expires automatically upon completion of its term or as permitted by Section 8(a) hereof, in full force and effect until the Line of Credit has terminated and all of the Borrower's liabilities and obligations to the Bank under the Loan Documents have been satisfied in full.

3. Representations and Warranties. The Borrower represents, warrants and covenants to the Bank as follows: (a) the execution, delivery and performance by the Borrower of this Agreement and all other documents contemplated hereby have been duly and validly authorized and do not violate any law or any provision of, and are not grounds for acceleration under, any agreement or instrument which is binding upon the Borrower; (b) except for the Trademarks set forth on Schedule A to the Trademark Assignment, the Borrower does not own any Trademark as of the date hereof; (c) the Trademarks are subsisting and have not been adjudged invalid or unenforceable; (d) the Borrower has not received any notice that a suit or action has been commenced or threatened against it, or any notice of a claim asserted or threatened against it, with reference to any of the Trademark Rights or the security interest granted herein, including, without limitation, any claim, suit or action alleging or asserting that a Trademark Right is not valid or enforceable; (e) the Borrower has no knowledge of any factual basis for such a claim, suit or action; (f) the Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademark Rights, and each of the Trademark Rights is free and clear of any lien, charge, claim, option, license (except for nonexclusive licenses granted in the ordinary course of business) and encumbrance, including, without limitation, any pledge, assignment or covenant by the Borrower not to sue third persons; (g) the Borrower has full corporate power and authority to execute and deliver this Agreement and perform its terms; (h) the Borrower has used, and shall continue to use for the duration of this Agreement, proper notice, as permitted by 15 U.S.C. §1051-1127 in connection with its use of the Trademark Rights; (i) the Borrower has used, and will continue to use for the duration of this Agreement, consistent standards of quality in products leased or sold under the Trademark Rights and hereby grants to the Bank and its employees and agents the right to visit the Borrower's locations that lease, sell or store products under any of the Trademark Rights and to inspect the products and quality-control records relating thereto at reasonable times during regular business hours to ensure the Borrower's compliance with this Section 3(h); and (j) the Borrower has adopted, has used and is using, and has registered or has filed applications for the registration of, the Trademarks listed in Schedule A to the Trademark Assignment.

4. Covenants. The Borrower covenants for the benefit of the Bank as follows: (a) until the Line of Credit has terminated and all of the Borrower's obligations under the Loan Documents have been satisfied in full, the Borrower shall not (i) enter into any agreement which is inconsistent with the Borrower's obligations under this Agreement or (ii) pledge, license (other than licensing on a nonexclusive basis in the ordinary course of the Borrower's business), grant a security interest in or otherwise encumber any of the Trademark Collateral, except in favor of the Bank; and (b) if the Borrower adopts, uses or files an application for the registration of any new Trademark Collateral, the provisions of this Agreement shall automatically apply thereto, and the

Borrower shall give the Bank prompt written notice thereof along with an amended Schedule A to the Trademark Assignment.

5. Exclusive Use of Trademark Collateral. So long as this Agreement is in effect and so long as the Borrower has not received notice from the Bank that an Event of Default has occurred and that the Bank has elected to exercise its rights to assignment hereunder, the Borrower shall continue to own the Trademark Collateral and to have the right, to the exclusion of the Bank, to use the Trademark Collateral and to grant nonexclusive licenses with respect thereto in the ordinary course of business, and the Bank shall have no right to use the Trademark Collateral or issue any exclusive or nonexclusive license with respect thereto or to assign, pledge or otherwise transfer title to any of the Trademark Collateral to anyone else.

6. Remedies Upon Default.

(a) Notwithstanding anything in this Agreement to the contrary, the Borrower agrees that, if an Event of Default occurs and is continuing, the Bank as the holder of a security interest under the Uniform Commercial Code, as now or hereafter in effect in the State of California, may take such action permitted under the Loan Documents or permitted by law, in its exclusive discretion, to foreclose upon the Trademark Collateral covered hereby.

(b) For such purposes, if an Event of Default occurs and is continuing, the Borrower hereby authorizes and empowers the Bank to make, constitute and appoint any officer or agent of the Bank as the Bank may select, in its exclusive discretion, as the Borrower's true and lawful attorney-in-fact, with the power to endorse the Borrower's name on all applications, documents, papers and instruments necessary for the Bank to use the Trademark Collateral or to grant or issue any exclusive or nonexclusive license under the Trademark Collateral to anyone else, or necessary for the Bank to assign, pledge, convey or otherwise transfer title to, or dispose of, the Trademark Collateral. The Borrower hereby ratifies all that such attorney lawfully does or causes to be done by virtue hereof, except for the gross negligence or willful misconduct of such attorney. This power of attorney shall be irrevocable for the life of this Agreement and the other Loan Documents and until the Line of Credit terminates and all of the Borrower's obligations under the Loan Documents are satisfied in full.

(c) The Borrower expressly acknowledges that the Bank shall record this Agreement with the United States Patent and Trademark Office in Washington, D.C. Contemporaneously herewith, the Borrower shall also execute and deliver to the Bank the conditional Trademark Assignment in the form attached hereto as Exhibit A, which assignment shall have no force or effect and shall be held by the Bank, in escrow, until the occurrence of an Event of Default. After such occurrence, the Trademark Assignment shall take effect immediately upon certification of such fact by an authorized officer of the Bank in the form reflected on the face of the Trademark Assignment, and the Bank may, at its sole option, record the Trademark Assignment with the United States Patent and Trademark Office.

7. Termination of Agreement. Upon termination of the Line of Credit and payment and performance of all of the Borrower's obligations under the Loan Documents, the Bank shall immediately execute and deliver to the Borrower all documents necessary to terminate the

Bank's security interest in the Trademark Collateral and shall deliver to the Borrower the original and all copies of the previously executed Trademark Assignment.

8. Prosecution of Trademark Applications.

(a) Subject to the terms of the Credit Agreement, the Borrower shall have the duty to (i) prosecute diligently any application with respect to the Trademark Collateral that is pending as of the date of this Agreement or thereafter, until the Line of Credit terminates and the Borrower's obligations under the Loan Documents are satisfied in full, (ii) preserve and maintain all rights in the Trademark Collateral and (iii) upon the reasonable request of the Bank, file federal applications with respect to registrable but unregistered Trademarks belonging to the Borrower. Any expenses incurred in connection with such applications shall be borne by the Borrower. The Borrower shall not abandon any Trademark registration or application without the prior written consent of the Bank, except with regard to any Trademark Collateral that the Borrower reasonably determines is of negligible economic value to it.

(b) The Borrower shall have the right to bring suit in its own name to enforce the Trademark Collateral, in which event the Bank may, if the Borrower deems it necessary or upon the occurrence and during the continuation of an Event of Default, be joined as a nominal party to such suit if the Bank is satisfied that it is not thereby incurring any risk of liability by such joinder. The Borrower shall promptly, upon demand, reimburse, indemnify, defend and hold harmless the Bank for all damages, reasonable costs and reasonable expenses, including, without limitation, attorneys' fees, incurred by the Bank in the fulfillment of the provisions of this Section 8(b).

9. Additional Remedies. Upon the occurrence and during the continuation of an Event of Default, the Bank may, without any obligation to do so, complete any obligation of the Borrower hereunder, in the Borrower's name or in the Bank's name, but at the Borrower's expense, and the Borrower hereby agrees to reimburse the Bank in full for all reasonable expenses, including, without limitation, reasonable attorneys' fees, incurred by the Bank in protecting, defending and maintaining the Trademark Collateral.

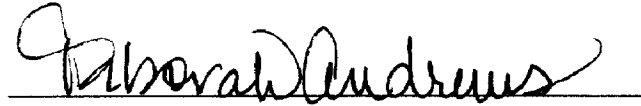

10. Relation to Credit Agreement. This Agreement is a supplement to the Credit Agreement, and the Bank's rights and remedies, and the Borrower's obligations and waivers, under the Credit Agreement, and the interpretive principles stated in the Credit Agreement, shall be applicable hereunder; provided, however, that this Agreement and the Credit Agreement shall be construed together so as to grant the Bank the greatest rights and remedies with regard to the Trademark Collateral; further provided, however, that the Bank's rights and remedies hereunder may be expressly modified by amendments to the Credit Agreement from time to time.

11. Governing Law. THIS AGREEMENT SHALL BE INTERPRETED, AND THE RIGHTS AND LIABILITIES OF THE PARTIES HERETO SHALL BE DETERMINED, IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA, EXCLUDING ITS CONFLICT-OF-LAW RULES, EXCEPT THAT THE FEDERAL LAWS OF THE UNITED STATES OF AMERICA SHALL GOVERN TO THE EXTENT APPLICABLE.

12. Counterparts. This Agreement may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, which may be delivered by facsimile, and all such copies shall constitute one and the same instrument.
